

Alabama Baptist Evangelistic Conferences In Birmingham January 25-26

Some of the top Southern Baptist preachers will be in Birmingham January 25-26 for the 18th annual Alabama Baptist Evangelistic Conference at the Birmingham Municipal Auditorium.

Included on the program are former Southern Baptist Convention president Dr. H. H. Hobbs, a native Alabamian now pastor in Oklahoma City, Oklahoma; Dr. Carl Bates, Charlotte, North Carolina; Dr. Kenneth Chaffin, Southwestern Baptist Seminary, Fort Worth, Texas; and Dr. Gray Allston, New Orleans Baptist Seminary.

Roland L. Jarrard, in charge of evangelism for the Alabama Baptist State Convention, stated that the program theme for the 1963 meeting is "The Time is Now!" The conference opens Monday at 1:30 p.m. and closes Tuesday night at 9:30 o'clock. A special dinner meeting is set for Monday at 8 p.m. for associational chairmen.

evangelism, the state committee on evangelism, associational missionaries, and personnel of the Baptist State Executive Board.

Recording artist and concert tenor Claude Rhea is in charge of music for the conference, and will present several special music selections. Dr. Rhea is chairman of the division of fine arts at Houston Baptist College, Houston, Texas.

The first Baptist Church choir from Selma, Alabama, under the di-

rectorship of Dr. Rhea, is in charge of music for the conference, and will present several special music selections. Dr. Rhea is chairman of the division of fine arts at Houston Baptist College, Houston, Texas.

has been permanently released until the history acreage to which it would otherwise be entitled has run out.

(7) A farm is not eligible for a new farm allotment for a period of three years after the owner has been displaced from a pooled allotment farm.

Any farmer who can meet these requirements is eligible for a 1965 cotton acreage allotment for his farm, if he will come to the Coffee County ASCS office and file an application.

February 15 Last
Day For Filing
Peanut Allotment

Any farmer may file an application for a new farm peanut acreage allotment for his farm if all of the following conditions are met:

(1) Application must be on file not later than February 15, 1965.

(2) This farm is the only one owned or operated by the farm operator or owner in the United States.

(3) There is available land of the correct soil type to produce peanuts.

(4) There is available adequate equipment and facilities necessary for the production of peanuts.

(5) The farm operator expects to obtain more than 50 percent of his income from production of products from the farm for which the new farm allotment application is filed.

(6) Operator of farm for 1965 must have had experience in growing peanuts at least 2 of the preceding 5 years.

Should any farmer meet all these requirements he may file application for a new farm peanut acreage allotment at the Coffee County ASCS office in New Brockton, Alabama.

Members of the Governor's Industrial Advisory Committee meeting at the Jefferson Davis Hotel in Montgomery on Friday, January 15, will hear a first-hand report on "What an Industry Looks for in Locating in Alabama" given by one of Alabama's leading industrialists, James H. Coll, Jr., Manager of Administrative Services, Scott Paper Company, Southern Division. Mr. Coll will speak at the luncheon following the meeting.

The meeting will open at 9:30 A.M. with a welcome by Mayor Earl James of Montgomery. Leonard Beard, Director of the State Planning and Industrial Development Board, will then introduce Governor George C. Wallace who will deliver the keynote address.

Following a business session, Gen. Walter E. Todd will discuss budget requirements. Director Beard will speak on "Guide Lines for Community Development," and Nelson J. Kemp, Chairman of the Board of Continental Conveyor and Equipment Company, will give a talk on "How a Community Co-operated with My Industry."

The Industrial Advisory Committee was organized by Governor Wallace to work closely with the Alabama State Planning and Industrial Development Board and other state and local agencies in promoting establishment of new industry and expansion of industries already doing business in the state and consists of members from every county in Alabama plus a number of members-at-large.

Weather Outlook Issued By Meteorologist

The Thirty-day Agricultural Weather Outlook for the period mid-January through mid-February for all of the Tri-State Agricultural Area, Southeast Alabama and Northwest Florida issued by the Weather Bureau Advisory Agricultural Meteorologist, Tifton, Georgia, January 16, 1965.

Temperatures during the next thirty days will average below normal over all of the Tri-State Agricultural Area. Daily mean temperatures will average between 50 and 58 degrees. Maximum temperatures will average from 60 to 65 degrees with afternoon temperatures reaching 75 degrees or higher on 3 or 4 days. Daily minimum temperatures should average between 40 and 49 degrees with temperatures falling to 32 degrees or lower in all areas on two to four mornings.

Rainfall during the period mid-January through mid-February is expected to average between 3.50 and 6.00 inches occurring as general rains on 6 to 9 days.

Sunshine during the next 30 days is expected to average about 60 percent of possible with frequent periods of extended cloudiness.

Soil temperatures are expected to rise very slowly during the next 30 days under conditions of high soil moisture and low sunshine. Average soil temperatures under 4 inches of bare soil are expected to range from 56 to 62 by the end of the period.

ELBA POLICEMAN DIRECTS TRAFFIC FROM EASY CHAIR - The Clipper Shutterbug found one of Elba's policemen, John E. Holley, sitting in a chair to direct traffic last Friday while the traffic lights were down for repairs. Police Holley received a lot of kidding by passers-by during the time as can be seen in the photo when a driver, Jack King, stopped to ask the "all abouts."

Miss Gail Mixon at Hartford has been employed as assistant bookmobile librarian for the Coffee-Geneva bookmobile. She succeeds Mrs. Katie Lou Messer who recently resigned from the position due to health reasons.

Miss Mixon will be assisting Mrs. Agnes Bottoms on the Coffee-Geneva bookmobile which serves the public libraries of Elba, Enterprise, Hartford, Samson and Geneva. In addition to the public libraries, the bookmobile serves 104 rural stops and all the schools in the two counties.

APC, Co-op Battle Moved To Courts

The fight between Alabama Power Company and the Alabama Electric Cooperative over who will sell electricity to the cities of Troy and Laverne has moved into the state courts. Attorneys for AEC have filed petitions in Montgomery Circuit Court seeking injunctions to prevent Alabama Power from fulfilling the contract it has entered into with the two cities.

The Public Service Commission approved both contracts at its public hearing in Troy on January 15. In its petition for an injunction AEC contended that it had been denied the process of law by the PSC.

AEC has sold power at wholesale to Troy and Laverne for about 20 years, but Alabama Power offered electricity to the cities at a lower rate.

Funeral Services Held Wednesday For Mrs. Bryan

Mrs. Mary Elizabeth Davis Bryan, 90, died Tuesday, January 19. Funeral services were held Wednesday afternoon at 2:30 o'clock from the Pine Level Primitive Baptist with the Reverend J. P. Morgan officiating. Burial was in the church cemetery.

Survivors include two sons, Johnnie Bryan, Elba; five daughters, Mrs. Manula Lindsey, Brantley, Mrs. Mary Sharpless, Mrs. Lura Ennis, Mrs. Myrtle Carpenter, Mrs. Catherine Spurlin and Mrs. Edna West, all of Elba; three brothers, Thomas J. Davis, Bessemer, Julian Davis, Elba and Jesse Davis, Pine Level; thirty-one grandchildren and forty-three great-grandchildren.

Rainer Speaks To Ladies Club; Tells Of Growth

L. S. Rainer, Jr., President of The Peoples Bank, spoke to the Twentieth Century Study Club at their January meeting held at the home of Mrs. Wendell Hart.

The theme of the club's study course for the year is "This Is Our Town". Mr. Rainer's topic was "Industrial Growth in Our Town". He pointed out Elba's early industrial beginning as a sawmill town and the importance of wood products to Elba's economy today.

Mr. Rainer stated that Elba had probably the most well balanced economy of any town its size in the area with heavy manufacturing, wood products, textiles and agricultural products affording this balance.

He mentioned the Elba General Hospital, Elba Textiles, Windham Power Plant, The Alabama Veterinary Diagnostic Laboratory as an example of variety of Elba's newer industry.

Wallace Proclaims "Junior Chamber Of Commerce Week"

Governor George C. Wallace today proclaimed January 17-23 as "Junior Chamber of Commerce Week" in Alabama and asked local organizations to cooperate in the observance.

As the Governor signed the proclamation he said the young men and the work they are doing, and emphasized that Alabama Jaycees have done an outstanding job in the fields of community development, public information and leadership training.

of commerce is one of the dynamic forces actively assisting in the development of our great State," said Governor Wallace, "and I urge recognition of this service by other civic bodies and the citizens of Alabama."

The week of January 17-23 celebrates the founding

Farm NEWS

BY TOM CASADAY, CO. AGENT

Roy Sims, President of the Coffee County Milk Producers Association, has scheduled a meeting of all Paschal's milk producers to be held at the Keyline Club House on Tuesday night, January 19, 7:00 p.m.

The milk producers association has planned quarterly meetings throughout 1965. Members of the group are: James Martin, J. B. Martin, Phillip Martin, Kirt Martin, Martin Moates, Bruce Penel, Comer Sims, Roy Sims, Tom Finlay, Billy Finlay, and Leland Weeks.

Dr. Joe Armstrong, Extension Beef Cattle Specialist, and Associate County Agent J. R. Speed worked with a group of Coffee County cattlemen last week on the Beef Cattle Improvement Association program.

The long range goal is to raise weaning weights of Coffee County calves 100 pounds or more and improve quality at least one full grade.

Coffee County cattlemen who desire further information on this are invited to contact any of the county agents or W. H. Taylor of Elba, one of the State Directors in the program.

Brown Bryars, President of the Coffee County Cattlemen's Association, came by the office the other day to remind me of the cattlemen association's sponsored sale to be held the first week in April.

The purpose of this sale is to provide a good market for cattle that have been fed in Coffee County. This annual special spring sale

Folks who operate tractors need to be careful to avoid tipping over and other hazards. I heard the other day of a young man being pinned under a

tractor for several hours. Caution young boys on the dangers connected with operating a tractor. Insist on safety!

J. E. Foster at Mr. Pleasant and his committee of Fred Sherrer and Frank Nichols are making excellent progress on securing a water system.

John W. and Robert Stephens in the Damascus Community are also making rapid progress.

I predict that 1965 will be a great year for these two communities because I feel certain that water systems will be completed this year.

Robert Stephens, Damascus Community, was re-elected as Coffee County's director of this market. Robert has served as a director since the beginning of the market and has done a good job. The going has been rough at times, but things are looking up.

It's rose-planting time again and here are some planting tips.

Early on late winter plantings do better because root growth will start during cold weather and plants will be ready for their annual spring sale to be held the first Wednesday in April.

If you have cattle that will be ready for market about that time, why not consider selling at this sale?

While you're digging the holes, protect the plants by covering them with wet burlap, sawdust, or a similar material to prevent the sun or wind from drying them out.

Alert farmers throughout Coffee County are being urged to use soil testing.

If you need a soil test, they know their crops grow better on soil with a balanced plant food supply.

We recommend liming fields now so that soil won't limit crop yields this spring. Using the right amount and kind of fertilizer is another yield booster.

Monthly 4-H Club meetings will be held in Damascus, Fairview, and Mt. Pleasant schools during this week. This will help the 4-H Club members for the month.

The demonstration of the importance of working together in soil and water conservation.

There will be a committee meeting Monday, January 25, at 8:15 p.m. in the office. This committee will set up rules regarding enrollment in the club.

They will also work out a schedule of future programs.

A stand-by electric generator is the best solution to the problem of electric power interruption. It should be of sufficient size to provide power for essential operations. Although the initial cost is comparatively high, it is justified if large dairy herds, for example, are involved.

Milk production for 1964 is expected to be about one billion pounds over 1963 production when the final figures are tabulated. The 1965 production levels are expected to stay the same.

Never shake a toaster upside down to remove crumbs. Instead, remove crumbs with a soft brush and wipe the crumb tray with a sudsy sponge.

Try this clean-up idea: Drain fat and drippings from fryers and cookers, fill with water, add soap or detergent, and heat to boiling. Then drain, rinse and dry.

Alabama farmers who try to save money by buying less or cheaper fertilizer often lose more money faster than they can afford.

The lumber used in the United States in an average year would build a board walk 30 feet wide and one inch thick all the way to the moon.

Official Premeasurement Service Offered

Coffee County cotton and peanut growers can arrange for official measurement of their 1965 farm cotton and peanut acreage at the Coffee County Premeasurement Service Office, located at the County Agricultural Stabilization and Conservation Committee announced this week.

To get the premeasurement service, which is being provided on a cost basis, a farmer must file a written request with the County ASCS office prior to planting the 1965 crop, says Mr. Roy L. Ellis, committee chairman. The rate to be charged for the service in Coffee County has been established at \$4.00 for each acre, plus 50 cents per acre for each acre or a fraction thereof in excess of 50.0 acres.

The premeasurement is purely optional, says Mr. Ellis, and is offered as a service to farmers who prefer to have an official measurement to use as a guide.

The chairman explains that all cotton and peanut acreages as well as corn, diverted acreage, and permitted soil bank base crops must be measured.

Each request must be signed by the person making the request.

Each request must be filed on Form MQ-25, in the County ASCS Office at New Brockton, Alabama by February 15, 1965.

KINSTON NEWS

By Mrs. John Foster

Kinston Homecoming Visitor Injured
February 5 Horseback Riding

Homecoming will be on February 5th with Open House at the school all day. At 1:30 P.M. the annual parade will begin.

The "ole timers" will have a basketball game at 4 o'clock in the gym. Former coaches Larkins and House are making plans to be here.

The homecoming game between Straught and Kinston will be played at 6:30 P.M. with the crowning of Miss Homecoming Queen at halftime.

The Alumni Dinner will be held at 8 P.M. in the school cafeteria.

The public may purchase bar-be-que plates at the cafeteria from 4 until 6 o'clock. No plates will be delivered. The elementary school auditorium will be open for the alumni reception room. If you are unable to get here early enough for the ball game you may go to the reception room until banquet time.

Recreation for the children of the alumni will be held in the gym while the banquet is being held. Mr. and Mrs. Roland Whigham are chairman of the committee to supervise the recreation.

Start making plans to attend homecoming and let's have a big one in 1965.

APPENDICITIS IS STILL A KILLER

Despite all our wonder drugs, a neglected acute appendicitis is as deadly as it was fifty years ago. The average hospital admits 19 appendicitis cases a month.

They are difficult for even a physician to diagnose. Symptoms are similar to acute indigestion. Vomiting and diarrhea may occur. Pain may become unbearable. If you ever have such symptoms which do not soon go away, never take a laxative which can cause the appendix to burst, throwing its poison into the system. Instead, call your physician. We will rush any needed medicine.

YOUR DOCTOR CAN PHONE US when you need a medicine. Pick up your prescription if shopping nearby, or we will deliver promptly without extra charge. A great many people entrust us with their prescriptions. May we compound yours?

Mrs. J. W. Phillips, of Samson, is visiting her son and family, The Ocie Phillips.

Mrs. Bill Mixon of Samson, visited Mrs. Foye Anderson Tuesday.

Beef Producers To Attend

State Cattlemen's Association Meeting In Montgomery

Beef producers in this county who attend the annual Alabama State Cattlemen's Association meeting in Montgomery will have an opportunity to see many Angus, Hereford and Polled Hereford with intriguing pedigrees.

An outstanding group from seven states will be on display prior to the Fifth Annual Dixie Round-up sale at Hooper's Stockyards on February 5.

Most herds in this county have been improved over the years and the upcoming consignments offer the producers another opportunity to boost quality in Alabama beef.

Six half brothers of the quality test bulls at Ames Plantation, Grand Junction, Tennessee, will be sold, along with top cattle with bloodlines from the 1959 Supreme Champion at Perth, Scotland. This consignment by the Black Watch Farms of Wappingers Falls, N.Y., will present some of the finest Angus ever to enter the ring in Montgomery.

Nine consignors from

Form Briefs

Each person's share of the paper used in the United States each year is 450 pounds.

Sudden changes in the ration of dairy cows can cause serious reductions in daily milk production.

Some insects have been brought to the United States purposely, then released in order to control harmful insects.

Mr. and Mrs. Ed Bess and baby of Andalusia spent Friday night with Mr. and Mrs. H. E. Bess and Carolyn.

Irvin Bess, of Opp, was Saturday dinner guest of Mr. and Mrs. Howard Bess.

Mrs. Tom Richardson, Mrs. A. J. Ward, Betty King and Mr. Lester Stephens made a business trip to Dothan Friday.

Mr. and Mrs. Walter Henderson, of Sweet Home Community, were Friday dinner guests of Mr. Henderson's sister, Mrs. Oscar Smith and Mr. Smith.

seven states will offer 114 bulls and 16 Angus females. The quality cattle are coming from Kentucky, Tennessee, Alabama, New York, Ohio, South Carolina, and Pennsylvania. Sale time is February 5 at 12 noon.

"Let's Make Muffins" Interest 4-H Club

The regular meeting of the Goodman Elementary 4-H Club was held January 13 in the club room of the school.

The meeting was called to order by the president, Jeanie Grimes. Rhonda Howell, song leader, led the group in singing a song which was followed by the devotion given by Ruth Wilson. Pam McGill, vice president, led the Pledge of Allegiance to the American Flag and the 4-H Pledge. The roll was called and the minutes of the last meeting were read and approved by the secretary.

An interesting demonstration entitled "Let's Make Cake Muffins" was led by Miss Sanders.

The meeting was adjourned until the next meeting in February.

Ginger Addison, game leader, led a most entertaining game.

Social Security

Harry N. Scott, Dothan, social security district manager, today urged self-employed people to get their 1964 self-employment tax returns prepared accurately and on time.

Deadline for re-

turning self-employment income and paying the social security tax to the District Director of Internal Revenue is April 15, 1965.

Mr. Scott said it is especially important for self-employed persons to complete the Schedule SE at the bottom of page 1 of their Schedule C-3 (or

playment earnings is made.

STUDENTS' HANDIWORK SHOWN AT A.C. - Alabama College coeds in the home economics department's tailoring class display their sewing skills during a fashion show held recently at the liberal arts college. Directed by Miss Mabel Owsley, associate professor of home economics at A.C., the event featured students modeling their own handiwork, which included many original creations. Among coeds presented in the annual show were: (from left), Gail Donaldson, Elba; Brenda Gnetzmacher, Wetumpka; and Linda Buck, Robertsdale.

Gail is a graduate of Elba High School, and is the daughter of Mr. and Mrs. Ed Donaldson, of Route 3, Elba. She is a freshman majoring in Home Economics.

Don't feel you must have all furniture of one particular style in your home. However, one style probably should predominate. Let other pieces be those with similar line and feeling. Then choose colors you can live with and enjoy. And buy the best construction you can afford to pay.

Among Coffee County Men In

U.S. Armed Forces

GEORGE W. PHILLIPS, Army Specialist Five, 26, whose wife, Evelyn, lives in Enterprise, Alabama, was assigned to the U.S. Army Support Command, Vietnam, in Vietnam, January 10.

Specialist Phillips, before aircraft mechanic, was last stationed at Fort Rucker, Alabama. He entered the

Army in 1962 and completed basic training at Fort Jackson, South Carolina. Phillips attended Thomson (Georgia) High School and worked for United Van Lines in Macon, Georgia, before entering the Army.

His mother, Mrs. Mary Pauline Pinegar, lives on Route 3, Manchester, Tennessee, and his father, Robert Phillips, lives in Wrens, Georgia.

Specialist Booker is assigned as a driver in Battery C, 6th Battalion of the division's 40th Artillery

and Mrs. Stiner Booker, 118 Naam Street, Enterprise, Alabama, is participating in a four-week field training exercise conducted by the 3d Armored Division near Grafenwohr, Germany.

Gifford, son of Mr. and Mrs. Leonard P. Gifford, 330 North Pleasant Avenue, Dallsatown, Pa., entered the Army in December 1946. He is a 1946 graduate of William Penn High School in York, Pa.

Wayne Driggers, Seaman USN, son of Mr. and Mrs. Wayne Driggers, 203 Willow Drive, Enterprise, Alabama, was assigned to the U. S. Army Support Command, Vietnam, January 5, as an aviator.

Gifford, son of Mr. and Mrs. Leonard P. Gifford, 330 North Pleasant Avenue, Dallsatown, Pa., entered the Army in December 1946. He is a 1946 graduate of William Penn High School in York, Pa.

Wayne Driggers, Seaman USN, son of Mr. and Mrs. Wayne Driggers, 203 Willow Drive, Enterprise, Alabama, was assigned to the U. S. Army Support Command, Vietnam, January 5, as an aviator.

IT'S UP TO YOU

By Howard E. Kershner, L.H.D.

How Are Civilizations Destroyed?

DURING the past recorded history more than a score of civilizations have arisen, prospered for a time, and disappeared.

Improved armament, food supply, leadership, and various challenges have entered into the vast changes. Without discounting these, we wish to present two other considerations.

Some nations and tyrants have exploited the people causing great unhappiness and suffering. Such people have eagerly looked for some means of overthrowing those who have oppressed them. This has resulted in the production of others, they have brought forth a type of politician who in return for votes would bring changes in the form of government that would enable them to dispense more and more patronage to the strongest persons in the government.

This has gradually worn away the safeguards that have been instituted for preserving freedom until finally authoritarian government has replaced it.

A two-pronged remedy is, we believe, the only hope. One, a return to the moral law of God so that people will be able to understand the problems with which they must deal.

A few functions are kept simple, the people can understand it and vote intelligently. But if the powers and functions of government are unduly expanded, the people do not understand it and vote more and more power to the central government because they hope these officials, who have the experts with technical knowledge to guide them, will be able to do for themselves. This continual enlargement of the function of the central government finally erodes away freedom and brings about the return of totalitarianism.

John W. Meadows, Army Warrent Officer, 27, whose wife, Marcelle, lives at 101 Wadding, Enterprise, Alabama, was assigned to the U.S. Army Support Command, Vietnam, January 10.

Meadows, a helicopter pilot, was last stationed at Fort Rucker, Alabama

HELPING OUT - United Fund drives in Southeast Alabama have been boosted with gifts of \$5,000 each from the UF campaign among military and civilian workers at Ft. Rucker, Col. Lester F. Schockert presents one check to Charles of Ozark, while holding theirs are Dr. John Lester (left) of Enterprise and Bob Hall of Dothan.

WASHINGTON REPORT

The New Congress Starts

BY CONGRESSMAN GEORGE ANDREWS
Third District of Alabama

The fireworks of the 89th Congress began last week, even before the formal opening of the new session. In a Democratic caucus meeting January 2nd, an expected fight over rules, organization of the leadership resulted in the greatest changes in this century in the methods Congress uses to regulate itself. This opening battle is not part of the legislative fight which will start next week, but it will surely affect the out-come of many proposed bills.

The Elba Clipper

VOLUME 67

ELBA, ALABAMA, THURSDAY, JANUARY 28, 1965

NUMBER 30

PLANNING LANDSCAPING AT COUNTRY CLUB - Pictured from left J. R. Speed, Jim E. Williams, Harold Thomhill, who is Auburn University Extension Horticulturist, and Dr. V. D. McCreary. Dr. McCreary is chairman of the beautification program for the Country Club and Speed and Williams are members of the committee.

A copy of the drawing is now on display at the Country Club and members are urged to take a look at it soon. Plants will be purchased and the work will begin soon on beautifying the grounds.

COMMISSIONERS BEGIN NEW FOUR YEAR TERM - Pictured are members of the Coffee County Commissioners for the next four years. They took the oath of office two weeks ago. They are from left Buster Bowden, District No. 4, Gene Brown, District No. 1, Leslie Mullins, County Engineer, Byron Galloway, District No. 2, Floumoy Whitman, District No. 3, Probate Judge J. O. English and chairman of the County Commissioners.

Class AA Basketball Tournament To Be Played In Luverne, February 24, 25, 26 & 27

Elba will be playing Basketball in Class AA Region 2, Area 3, which is to be played in Luverne. The basketball plan is the same as it was last year, that is, the schools are divided into 4 classifications based on the number of boys in the upper grades on a state wide basis, without regard for present geographical lines. These 4 classifications are 4A, 3A, 2A, and 1A. Elba will be playing in Class AA which is divided into 8 regions. These regions being further divided into 2 areas. Area 3 basketball games will be played in Luverne February 24, 25, and 26, with the winner of this area playing the winner of area 4 in Luverne on Saturday, February 27, for regional championship. The winner of region will then go to the State Tournament. The teams of area three are: Covington County, Samson, Kinston, Straugh, Elba, Red Level, Brantley, Luverne.

The teams of area four are: Geneva County, Cottonwood, Houston County, Rehobeth, Midland City, Headland, Abbeville.

Savings Bond Of Goal
State Chairman Thad Holt announced today that Alabama has purchased Savings Bonds during 1964 in the amount of \$45,935,140 -- almost one million dollars in excess of the \$45,000,000 goal.

Coffee County, under the volunteer leadership of County Chairmen W. E. Sawyer and Clark Edwards has sold \$163,405, ending the year with 90.7 per cent of goal.

MYSTERY SCENE - Three little houses - same size, and staggered down the highway. Recognize this scene and let The Clipper know where it is.

Griffin High Scorer Among Elba Cagers

The Elba Tiger basketball team beat the Luverne basketball team 84 to 54. The high scorers for the game were Merrill Shirley and George Sanders, both having 20 points.

The Tigers then went on to beat the Enterprise Wildcats 64 to 60. The Tigers lead the Wildcats 33 to 23 at the half and 48 to 34 at the end of the third quarter. Then the Wildcats started gaining on the Tigers in the fourth quarter, but even under this great wave of pressure the Tigers came out on top and are still the champs.

There have been many points scored so far by the players on the Elba Tiger basketball team. Here are the names of the players and the points they have scored:

Jerry Griffin, 366; Jerry Brown, 209; George Sanders, 169; Merrill Shirley, 102; Farrell Smith, 62; Gary Harrison, 41; Sammy Carney, 20; Ronnie Vaughn, 14; Randy Redsole, 8; Johnny Kendrick, 6; Richard Walker, 5.

Mothers To Solicit For Campaign

It has been made known to this paper by County March of Dimes Chairman, Jerry Brown, that the marching mothers of Elba will be calling upon each resident in our town to make a contribution to the March of Dimes.

Chairman Brown reports that Mrs. Douglas Easters and Mrs. Owen Ziglar have done an outstanding job in securing some of the most dedicated mothers of Elba to participate in this Mother's March. These mothers will march with the fact firmly established in their minds that 250,000 defective babies are born each year and after their participation in this campaign, they will feel the personal satisfaction that comes from having done their fair share of saving the life of a child.

It is asked that each resident of Elba enjoy this spirit of giving by contributing generously to the Mother's March Campaign, which is the major contributing factor to the success or failure of the March of Dimes in this county.

142 ARMORIES
There are 142 National Guard Armories in Alabama with at least one in each county.

LIONS CLUB MEMBERS - Pictured from left, F. F. Clark, Jim Whitman, G. P. Miles, Ben Brock, club president, J. E. Williams, Robert Cooper and John D. Lowery.

Lions District Governor Speaks To Local Club; Several Awards Presented

The Elba Lions Club met Tuesday night, January 26th, at Paul's cafe, Ben vice, in a short but impressive ceremony Lion Allen commended them for their excellent record. Other visitors of the club included Warner Allen, Auburn student, son of the District Governor, and A. T. McRae of the Elba Clipper.

RECEIVE AWARDS - Three members of the Elba Lions District 34-E, of the benevolent service organization, received Tuesday night. Receiving these certificates and awards were John D. Lowery, center, 10-year award. These honors were presented by Mr. Ralph W. Allen, Jr., right, District Governor. A certificate was also given for Floumoy Whitman, who was ill and could not attend.

Funeral Services Held Sunday For Mrs. Farris
Mrs. Frances Farris, 55, died last Thursday afternoon, after only a short illness. She had worked Tuesday at her desk at the Elba Exchange Bank and became ill that night at her home. She was rushed to the Elba General Hospital, where she died Thursday afternoon.

Mrs. Farris, the widow of the late Colonel F. A. Farris, was a native of Elba, a member of a pioneer Coffee County family. She was prominent in the social, cultural, and religious affairs of Elba during her lifetime. She was a member of the First Methodist Church, a member of the Woman's Society of Christian Service, Garden Club, and Study Club.

Her husband, Colonel Frances A. Farris, died of a heart condition July 31, 1957. He also was a native of Elba, a member of a prominent Coffee County family. They were married April 24, 1927 and continued to make Elba their home. Following his death in 1957, she accepted a position with the Elba Exchange Bank in January 1958 and continued to hold this responsible position until her death.

Funeral services were held Sunday afternoon at 3 o'clock from the Elba First Methodist Church with the pastor, the Reverend David Carter, officiating, assisted by Doctor Charles Graham, pastor of the First Baptist Church. Burial was in the family plot at Evergreen Cemetery, Hayes Funeral Home in charge.

Survivors are one daughter, Miss Sandra Farris, Pensacola, Florida; two sons, Jimmy R. Farris, Macon, Georgia and John H. Farris, USN, stationed overseas; two brothers, Phil Mitchell and H. Mitchell, Jr., both of Montgomery; and a sister, Mrs. C. P. Hayes Jr., Elba.

Volunteers Answer Fire Call At Dorsey
The volunteer fire department was called to a table in the shop, a truck pulled into the shop, according to employees at the plant, and bumped into the table causing the gasoline to spill on the floor in front of a gas heater. Damage was minor.

FEED SUPPLY IMPORTANT - New dairymen Tom and Billy Finlay of Enterprise, Rt. 2, are aware that a dairymen must grow and store plenty of feed. One of the first structures to go up on their new dairy farm was this 50' x 30' ton capacity upright silo. Here, County Agent Tom Casaday, left, and Billy Finlay discuss the feeding operation. Billy is a partner with his dad in the dairying.
